30 Days Summer Training Program for Students of Darbhanga College of Engineering, Darbhanga under TEQIP

Action plan to monitor the performance of students during the training

Software training for 30 days (60 hrs) for the students of Darbhanga College of Engineering, Darbhanga is proposed so that the learning process of the students do not hamper due to the unprecedented lockdown situation. In the present scenario the best way to cater the learning process is to opt for the online platform based learning resulting in the dissemination of the knowledge to each and every student of the institute at their door step. For this purpose, training for 60 hrs. each on different softwares/courses has been proposed to be conducted by EICT Academy, IIT Kanpur. Following initiative will be taken to achieve effective learning of the students:

1. For each course/training, at least one faculty mentors will be appointed for monitoring purpose. The appointed faculty will also undergo the same training and look after the issues and concerns of students in that training.
2. A separate WhatsApp group will be created with Mentor faculty as admin to discuss and provide assistance to students on the issues related to the course, assignments and individual concerns.
3. Mentor Faculty will pursue the progress and track the assignment submission of their mentee student. The attendance of students will also be monitored.
4. Mentor faculty of the course will evaluate performance of their mentees through weekly quizzes to ensure that the students are participating in the training positively. This will ensure that the students are aware about the course content and their status. It will be a kind of self-assessment for each students.
5. A weekly meeting will be called by the HoDs of respective departments to discuss the progress and improvement of their students. Mentor faculty will provide the weekly report and also report the poor performing students in the meeting. The course of action for next week will be decided accordingly.

Details of the Faculty Mentors and their Mentees for each Course.
